

# Addressing At-Risk Populations in Emergency Preparedness Planning

## Thursday May 8, 2008

**Overview:**

Please join Advanced Practice Center Program Managers from Montgomery County, Maryland and King County, Seattle, along with the Chief Program Officer for Public Health Practice for the Association of State & Territorial Health Officials (ASTHO) for discussion surrounding recent efforts and guidance regarding communicating with vulnerable populations during public health emergencies. Speakers will share their experiences and specific information gathered during the ASTHO-led At-Risk Populations during Pandemic Engagement Meetings, and will provide insight regarding key relationships developed with other jurisdictions and community-based organizations.

**Speakers:**

**i** Kay Aaby, MPH, BSN, RN - Program Manager, Montgomery County, Maryland Advanced Practice Center (APC) for Public Health Emergency Preparedness & Response Program under the Department of Health & Human Services.

**i** Jim Blumenstock, MA - Chief Program Officer for Public Health Practice, Association of State and Territorial Health Officials

**i** Carina Elsenboss, MS - Program Manager, Public Health-Seattle & King County, Seattle, Washington Advanced Practice Center
